MILITARY HERITAGE MUSEUM AWARDED \$80.650 GENERAL PROGRAM SUPPORT GRANT

PUNTA GORDA, FL – The Military Heritage Museum is proud to announce it has been awarded an \$80,650 General Program Support Grant from the Florida Department of State, Division of Arts and Culture. This significant award will provide critical funding to advance the museum’s mission of preserving military history and honoring veterans through exhibits, educational programs, and community events.

The Military Heritage Museum is recognized as Charlotte County’s premier destination for military history, with thousands of visitors annually and a reputation for both education and entertainment. The museum regularly partners with the Charlotte County School District, hosting field trips that connect students with the stories of America’s heroes and the lessons of our shared history. In August 2025, for the second year in a row, the museum was also voted *Best of Florida*, underscoring its role as a cultural and educational leader in the region.

“This grant is a tremendous vote of confidence in the work we’re doing,” said Isaac James, Executive Director of the Military Heritage Museum. “It will allow us to expand our programs, serve more students and visitors, and continue to be a beacon for veterans and the community. We are deeply grateful to the Florida Department of State, Division of Arts and Culture, for recognizing the impact and importance of our mission.”

With this support, the Military Heritage Museum will enhance its exhibitions, expand outreach programs, and continue to provide immersive experiences that honor veterans and educate future generations.

The Military Heritage Museum is located at 900 West Marion Avenue in Punta Gorda. For more information or reservations, please go to the website and sign up at www.militaryheritagemuseum.org or call 941-575-9002.
